

## sphinxx NFP Scholarship Program

sphinxx is currently offering scholarships to the sphinxx Leadership Program worth over \$10,000 in value to women working in or volunteering for charities and not for profit organisations that directly or indirectly benefit women in our communities. We are offering three scholarships in each of Sydney, Melbourne, Brisbane and Adelaide for not-for-profit organisation leaders.

sphinxx is the network for women leaders. We provide leadership and professional development to members of the sphinxx Leadership Program and our 2,000 newsletter subscribers across Australia. We also offer consulting services to employers, providing advice and education to organisations looking to attract, develop and retain their female talent.

### **Scholarship Benefits:**

The sphinxx NFP scholarship is an annual scholarship offering recipients a free annual membership to the sphinxx Leadership Program. The beneficiary of each scholarship will have free access to:

- Quarterly Ascend leadership development days
- Monthly Membership Packages
- Members only section of the website

### **Scholarship Responsibilities:**

sphinxx will donate one annual membership to the sphinxx Leadership Program valued at \$895 to each beneficiary and in return the beneficiary will:

- Attend every Ascend leadership development day over the course of their scholarship year as a scholarship recipient and a member of the sphinxx team.
- Become a sphinxx ambassador, displaying our logo and a brief brand bio on their organisation's website or newsletter and extending an invitation to members of your organisation's networks to also participate in Ascend.

### **Selection Criteria**

sphinxx will be asking the following questions when accessing your organisation's application:

1. Does the candidate organisation's have the capacity to appropriately utilize the scholarship for organisational growth and/or personal development?
2. Does the organisation benefit women or girls either locally or internationally?
3. Does the organisation have a business, education or networking focus to their work?
4. Is there an overlap between the organisations membership, supporters or beneficiaries with sphinxx's target market?
